*"Be alert and watch, for you don't know when the time will come. What I say to you, I say to all. Stay alert." Mark 13:33*

When Mark's gospel was recorded, followers of the way fully expected that in the very near future Jesus would return in glory and bring all of creation into the fullness of God's reign. The Apostle Paul held the same understanding when he wrote to the church at Corinth when he urged them to be faithful and continue to develop the gifts they have received, because the Lord was going to return very soon.

About 2,000 years later, and it hasn't quite happened as they expected! We are still waiting. Waiting and watching is what Advent season is all about. Stay vigilant and alert to the coming of Jesus! We, like the early disciples, don't know when that final coming will happen, but there are many ways Jesus comes into our life when we are alert enough to notice.

As we prepare to celebrate that incredible act on the part of God, consider how Jesus came into the midst of the human family - born in a stable, a short time homeless, certainly a refugee. And yet, in our culture the Thanksgiving turkey is barely cold before we feel the pressure to take part in the nearest Black Friday Christmas sale!

It's ironic, since Jesus first came among us as a poor person. When Jesus was tempted later in his life in the desert to change stones into bread, he responded with: *"No, see, I don't accumulate all kinds of material things. I have enough."*

Be alert; and think about how Jesus came, identifying himself with the poor and oppressed. If we really want to welcome Jesus into our midst, we might remember how he showed us the way to the fullness of life by making certain that everyone has enough. May it be so, and may it be soon!  
*In peace, Pastor Jenn*

## Stewardship 2018: Journey to Generosity

We hope that you have been as inspired as we have been hearing the powerful stewardship testimonies from Pastor Jenn, Sheri Carrano, David Walker, Debi Mastroni-Kenyon and (this Sunday) Leann McEvoy. If you didn't get a chance to read them yet, they are uploaded on our church's website at <http://www.mcc-ucc.org/donate.html> . Please consider prayerfully your financial commitment to MCC's ministry and mission and let the generosity of God inspire you to be generous in return.

### Christian Education

**Advent Table** On Sunday, December 3<sup>rd</sup>, there will be a table set up with materials for Advent wreaths, readings, and Advent Calendars for your use this season. This will be available in Wilton Hall during Coffee Hour.

**Senior PF Wreath Fundraiser:** It's that time of year where we're getting merry and bright! PF is holding our annual wreath fundraiser. If you would like to purchase a wreath, it's \$14 for 12 inch, \$16 for 16 inch and \$2 a bow. PFers will be at coffee hour the next few weeks taking orders. Thank you for your love, support and for making our 2018 mission trip a special one!

**Somethings New** This Advent season we are doing two new things, one during Sunday school and one during Jr. PF. On Sunday, December 10<sup>th</sup>, during regular Sunday school time, all students will be working with wood, hammers, and nails to build mini mangers to prepare for the coming of baby Jesus. Also on December 10<sup>th</sup>, Jr. PF will be venturing over to Masonicare on Toddy Hill Road in Newtown to participate in a Christmas Program with their residents. **This event will take place from 3:00-4:00 pm. All Jr. PFers please arrive at the church at 2:30 pm so we can depart by 2:45.**

We are rehearsing on Saturday, December 16<sup>th</sup>, from 1:00-3:00 pm. Come talk about life and current events from a spiritual perspective on **Friday, December 1, 7:30 – 9 pm at Monroe Social, 494 Main St, Monroe with Faith on Tap!**

Our topic will be: *A Casino Coming to Bridgeport - Good or Bad Idea, and why?* Some of us play the lottery, just for fun. Or we go to a BINGO night (many churches have them). Others say that they have fun going to places like Foxwoods, and if they budget a certain amount of their discretionary entertainment funds for gambling and don't go beyond that, what's the harm? There has been talk about MGM developing a new casino in downtown Bridgeport. What are the ethical, social, communal ramifications of a casino so close by? Where do you stand?

Mark your calendars and join the conversation! And if you have a friend who may like joining us, please bring them along! Agreement is not required, but civility is essential. Tea-totelers and soda drinkers welcome too! Call/text Clark (203-895-5604) or Rev. Jenn (203-895-5607) Gingras with any questions.

## Outreach

### **The next St. George's supper is December 18th**

Please look for the poster in Wilton Hall to sign up to help. We have a variety of needs, including shoppers, and servers. Simply take a tag (or two!) and you will be making a difference for those in need. **Please bring all food to the church**

**by December 17<sup>th</sup> at 11am. If you take a tag and are unable to fulfill your commitment please contact the church office 203-268-9327 Or if you would like a tag but cannot make it to church please call Melissa in the office**

### **Socks for St. George's**

We will serve a special Christmas dinner at St. George's on December 19<sup>th</sup> and we will be collecting new men's socks, women and men's gloves and scarves. **Please drop off your donations by December 17<sup>th</sup>** so the Sunday school kids can assemble a care package for our guests. There is a bin outside of the church office for sock donation.

### **Help bring peace and cheer this holiday to kids and parents served by Empowering**

**Children and Families.** ECF is a mission supported by MCC's Board of Outreach. Every day in CT, children and families fall through the cracks. ECF is comprised of a caring group of individuals who have experienced all too well the devastation to CT families due to a lack of appropriate services...and have

decided it's time to make a change. We, as a society, can help to fill in the cracks by extending a helping hand out of love, trust, and mutual respect. **ECF is asking for gift cards \$25 or \$50** to help provide a little extra joy this holiday season. There is a poster in Wilton Hall with tags. Contact Leanne McEvoy or Kathy Maiolo with questions.

### **Heifer International**

With your spare change, we can help families support themselves and others through the purchases of livestock and plants that will go to bettering their present situation and then providing for a future that allows them to work on their own. Money will be collected during coffee hour and can be placed in collection jar on the coffee table. By the end of December, Morning Circle will pool the change and send out a check. This is a great way to start off the holiday with a donation to something special with the help of everyone from the congregation. Please contact Susie Cuseo with any questions at [203-268-0280](tel:203-268-0280) or at [thecuseos@yahoo.com](mailto:thecuseos@yahoo.com)

Thanks to **Peggy Villani** for reminding us in worship on November 19<sup>th</sup> that the ground for Rexford House was broken 50 years ago! Here is an excerpt from the historical article that she referenced in her announcement:

**The Building of Monroe Congregational Church, United Church of Christ**

*Member Jean Loveland originally wrote the following history in 1967.  
It has been updated to include more recent information.*

... By 1956, the church facilities were outgrown, except for the meeting house itself. In order to accommodate the needs of an expanding membership, a fund drive was conducted. With the monies raised, new school rooms and other facilities were added to Beardsley Hall along Route 111.

Even though there were multiple expansions in the past, the church was in need of additional space. Study groups and building committees worked on a new construction plan to meet those needs. Ground was broken on Thanksgiving Sunday, November 19, 1967 for a new building and in 1968 Rexford House opened.

The town of Monroe continued to grow over the next decade and a half. It became evident the next building that needed expansion was the meeting house. In 1985, worship services were now held in what is known as Wilton Hall and ground was broken to enlarge the meeting house. Additional pews were installed, a handicap entrance provided, the balcony opened and the interior of the building was restored to as near as possible to its original appearance. On March 2, 1986 the meeting house was re-opened and the first worship service was held in the newly renovated building.
